All non-exempt clubs will be drawn to play in 1 of 2 Semi-Finals (SFs) in order to determine the remaining qualifying clubs to play in the Final. Both SFs will consist of non-exempt clubs who will be allocated alternately to either SF1 or SF2 based on their final position in the 2023 Men's Scratch League. Any club wishing to enter who did not take part in the 2023 Men's Scratch League will be allocated to one of the SFs alternately in order of entry. There will be a guaranteed minimum of 4 qualifying places per SF. The total number of qualifying places at each SF is subject to change due to the number of exempt clubs who enter. Therefore, the exact number of qualifying places will be confirmed on the morning of the SF.

The format for the SFs will be **teams of 3 male members** playing 18 holes Strokeplay off scratch. The qualifying teams will be those who fill the pre-determined qualifying places by returning the lowest aggregate gross score of the 3 players over 18 holes from each venue. In the event of a tie for the last qualifying place, the club(s) with the lowest aggregate gross score for the 3 players over the last 9, 6, 3 and final hole will qualify. If still a tie, the Chief Referee on the day will toss a coin to determine the qualifier(s).

SF 1 will be held at Aldenham G&CC on the afternoon of Sunday 31st March 2024.

SF 2 will be held at East Herts GC on the afternoon of Sunday 31st March 2024.
