Futures Tour 2024

A warm welcome to Hertfordshire Golf's 'Futures Tour' series. These seven events played over Par 3 courses around the county, are the first step on Hertfordshire Golf's 'junior development' pathway. We offer the perfect opportunity for young golfers to develop their skills and playing experiences whilst making friends with like-minded players on a golf course relevant to their size, strength and ability.

We're thrilled to announce the return of the team element to the Hertfordshire Golf Futures Tour, enhancing the overall experience for our young golf enthusiasts. The team dynamic, a massive hit when the Futures Tour began, fosters camaraderie, belonging, and lasting memories for participants. Players will be assigned to Team Kites, Team Hawks, or Team Falcons, wearing team shirts with the Hertfordshire Golf logo to strengthen their sense of identity and facilitate new friendships. Shirts are included in the season's membership and will be a one-off payment of £15 for those who choose to pay as you play. As players don team colours and collaborate toward a shared goal, youngsters will develop essential social skills, including communication, cooperation, and mutual support. Points awarded for individual performances at each event will contribute to determining Team Winners per event and a season's end Team Winner will be crowned, celebrating the collective efforts of all team members.
